

No: TRA / TA / 4750/2012

Date: 30/7/ 2012

Hilal Al-Busaid
Sales Manager
Honeywell & Co, Oman LLC
P.O. Box:482, P.C:116
Sultanate of Oman

After compliments,

Subject: Type Approval Certificate

This is in reference to your application dated 08-Jul-2012 requesting type approval for Short Range Device. Please be advised that Short Range Device, model: OWA 100 is hereby type approved. Please find enclosed herewith the type approval certificate.

Please note that this certificate is not an authorization for your company to import such type of equipment. For this purpose, an authorization for the release of the equipment from the “customs” must be obtained from TRA for each of the consignments of telecommunications equipment imported by your company.

Best regards,

Mahmood Al Zadjali
In-Charge-of Steering Type Approval
and Authorization Department
