

Webinar On-Demand

Proactively Monitor, Measure and Manage Industrial Cyber Security Risk with Risk Manager

Sheila Fortinberry, Senior Global Cyber Security Marketing Manager, & **Mike Baldi**, Cyber Security Solutions Architect at Honeywell Process Solutions discuss the newly introduced Industrial Cyber Security Risk Manager.

During this webinar, learn how Risk Manager:

- Allows users to prioritize and focus efforts on managing risks that are most important for reliable plant operations, through the easy-to-use interface
- Monitors risk continuously, in real-time
- Translates complex indicators of vulnerabilities and threats into metrics that can be used by control engineers and operators without cyber security experience

Additionally, there is a demo of the solution.
