

TrendManager Software Suite Supplemental Instructions

Instruction Sheet

Document: 43-TV-33-12A

Effective: 5/01

Supersedes: 3/01

Overview

These instructions supplement the TrendManager Software Suite CD. The following procedures are described.

- Table 1: How to install Flashloader (the program that lets you upgrade your recorder firmware)
- Table 2: How to install version 4.91 of TrendManager Pro
- Table 3: How to install latest version of TrendManager Pro
- Table 4: How to activate TrendBus in version 4.91 of TrendManager Pro.

Kit Contents

1 TrendManager CD

Procedures

Table 1 How to install Flashloader

Step	Action
1	The TrendManager CD has Flashloader on it. Flashloader is the program that lets you upgrade your firmware. Put the TrendManager CD in your CD drive.
2	It should Auto run. If not use Explorer to explore the CD. If it does Auto run, click the 'Explore the CD' button.
3	Double-click the 'Firmware' folder. There should an executable file there named "00xx" where "xx" are letters; for example, 00DA.
4	Double-click on the executable file and follow the install instructions. This will install the Flashloader program. If prompted to upgrade to latest version, select "Yes."

Step	Action
5	<p data-bbox="293 254 1078 281">When Flashloader has finished installing the following dialog box appears:</p> <div data-bbox="334 302 1162 674">  </div> <p data-bbox="334 695 1393 747">To make sure you have the latest firmware version for your recorder, select "Change firmware." The following box appears:</p> <div data-bbox="334 768 821 1297">  </div> <p data-bbox="293 1318 1414 1373">Select the latest version listed, that is, the highest alphabetical choice. In the example above you'd select DA which is a later version than CZ. If only one version is listed, select "OK."</p> <p data-bbox="293 1394 760 1421">Verify the latest version is shown, as below:</p> <div data-bbox="293 1442 1122 1814">  </div> <p data-bbox="334 1835 1162 1862">You are now ready to upgrade your recorder's firmware with the latest version.</p>

Kit Instruction, continued

Step	Action
6	<p><i>To program recorder now:</i></p> <p>Connect your programming cable from the PC to the recorder. Select the 'Program Recorder' button, and then follow the on-screen instructions.</p> <p><i>To program recorder later:</i></p> <p>Connect your programming cable from the PC to the recorder. Select Start>Programs>Flashloader and run Flashloader. Click 'Program Recorder' button and follow the on-screen instructions.</p>

Table 2 How to install version 4.91 of TrendManager Pro

Step	Action
1	Insert the TrendManager CD.
2	Select "Explore the CD."
3	Open TrendManager Suite folder.
4	Open TMP 4.91 folder.
5	Double-click on the Setup.exe icon. Follow onscreen instructions to install version 4.91.

Table 3 How to install latest version of TrendManager Pro

Step	Action
1	Insert the TrendManager CD.
2	Select TrendManager Suite.
3	Select the package you want to install.
4	If prompted for Organization and Code, enter the codes from the CD case insert. Codes are case-sensitive.

Table 4 How to activate TrendBus (communications) in version 4.91 of TrendManager Pro

Step	Action
1	Start TrendManager Pro version 4.91.
2	Select Configure, Communications.
3	You'll be prompted to register Trendbus by entering a communications option code. You can not use communications without this code. Locate this code on page iii of the TrendManager Pro manual 43-TV-25-12.

Warranty/Remedy

Honeywell warrants goods of its manufacture as being free of defective materials and faulty workmanship. Contact your local sales office for warranty information. If warranted goods are returned to Honeywell during the period of coverage, Honeywell will repair or replace without charge those items it finds defective. The foregoing is Buyer's sole remedy and is **in lieu of all other warranties, expressed or implied, including those of merchantability and fitness for a particular purpose**. Specifications may change without notice. The information we supply is believed to be accurate and reliable as of this printing. However, we assume no responsibility for its use.

While we provide application assistance personally, through our literature and the Honeywell web site, it is up to the customer to determine the suitability of the product in the application.
